

CULBERSON COUNTY GROUNDWATER CONSERVATION DISTRICT
NOTICE OF PUBLIC HEARING ON DESIRED FUTURE CONDITIONS
PROPOSED BY GROUNDWATER MANAGEMENT AREA 4
FOR THE WEST TEXAS BOLSON AQUIFERS
WEDNESDAY, JULY 8, 2026, AT 2:00 PM
at the Culberson County Groundwater Conservation District office
1300 W. Broadway Street, Van Horn, TX 79855
Meeting will be held virtually through Zoom.

Notice is hereby given that the Culberson County Groundwater Conservation District (CCGCD) will hold a public hearing on the Desired Future Conditions (DFCs) for the Igneous and West Texas Bolsons Aquifers proposed at a Joint Planning Meeting on April 30, 2026 by the member districts of Groundwater Management Area 4, including the Brewster County Groundwater Conservation District, the Culberson County Groundwater Conservation District, the Jeff Davis County Underground Water Conservation District, the Hudspeth County Underground Water Conservation District #1, and the Presidio County Underground Water Conservation District.

The proposed Desired Future Conditions (DFCs) to be reviewed at the hearing include:

- **An average drawdown of 78 feet between 2030 and 2080 for the West Texas Bolsons Aquifer within the Culberson County Groundwater Conservation District.**

Interested parties are invited to attend the hearing and provide public comment or to submit written public comments by email to generalmanager@ccgwcd.com. Written comments must be received by noon on the day of the hearing for consideration by the CCGCD Board.

Interested parties may view the Proposed DFC Tech Memo by visiting ccgwcd.org.

For more information, please contact General Manager Haley Davis at 432-283-1548, by mail at P.O. Box 1295, Van Horn, TX 79855, or by email at generalmanager@ccgwcd.com.

CULBERSON COUNTY GROUNDWATER CONSERVATION DISTRICT
NOTICE OF PUBLIC HEARING ON CULBERSON COUNTY GROUNDWATER CONSERVATION DISTRICT
MANAGEMENT PLAN

WEDNESDAY, JULY 8, 2026, AT 2:00 PM

at the Culberson County Groundwater Conservation District office
1300 W. Broadway Street, Van Horn, TX 79855
Meeting will be held virtually through Zoom.

The Culberson County Groundwater Conservation District ("District") will hold a public hearing on the District's proposed Management Plan pursuant to Section 36.1071 of the Texas Water Code. The purpose of the hearing is to receive public comment regarding the proposed Management Plan and to provide interested persons an opportunity to present oral or written testimony for consideration by the District's Board of Directors.

Summary of the Proposed Management Plan

The proposed Management Plan describes the District's management goals and objectives and the actions, procedures, performance standards, and avoidance and mitigation measures by which the District will manage and protect groundwater resources within Culberson County. The proposed Management Plan has been prepared in accordance with Chapter 36 of the Texas Water Code and includes information regarding groundwater resource management, water supply planning, conservation, recharge, prevention of waste, public education, and the management of groundwater resources consistent with the Desired Future Conditions adopted by Groundwater Management Area 4.

A copy of the proposed Management Plan is available for public inspection at the District office during normal business hours and may also be viewed on the District's website at www.ccgwcd.org.

Procedures for Submitting Comments

Oral testimony may be presented at the public hearing by completing a speaker registration form prior to the beginning of the hearing. Written comments regarding the proposed Management Plan may be submitted to the District by email at generalmanager@ccgwcd.com or by mail to: Culberson County Groundwater Conservation District, P.O. Box 1295, Van Horn, Texas 79855. Written comments should be received no later than 12:00 p.m. on July 8, 2026, to ensure consideration by the Board of Directors.

For additional information, please contact the District office at (432) 283-1548 or email generalmanager@ccgwcd.com.
